Using Lynda.com

Browsing

- Browse courses by topics, software, or by learning paths. Learning paths are sets of courses to learn a skillset, like “3D Character Animation”.
 - Select “Library” to see a list of topics, software, and learning paths.
 - In a web browser, this will be at the top left of the screen.
 - In the app, you will need to select the three lines at the top left of your screen to open your menu.
 - Select the magnifying glass (top right) to search for a specific topic or course.

Watching

- Play a video by clicking the center of the video.
 - Pause: parallel lines on the bottom of the video.
 - Volume: speaker icon.
 - Maximize: icon with two arrows pointing away from each other.
- Access video transcripts by clicking the “Transcript” tab underneath the video.
- Download videos (app version) to watch offline by selecting the yellow down arrow.

Personalizing

- Lynda.com remembers course progress. Find your spot in “Continue Watching”.
- Create a playlist of videos by choosing the “Plus sign” on a course to add it.
- Use the notebook feature on the left of the video to take your own notes.

Important Notes

Forgot your password?

- You will need to contact Lynda.com support directly.
- If you added an email address on your account, you can use [this link](#) to reset it.
- If you did not add an email address, you will need to fill out this [contact us form](#). Alternately, you can call the hotline which is listed on the contact form.

LinkedIn Learning

- Lynda.com is now part of LinkedIn Learning and there are newer apps available. However, the new apps do not support access through the library at this time.
